DONALD A. DOBROWOLSKI, D.D.S.)	
)	CONSENT ORDER
Licensed to Practice Dentistry)	
in the State of New Jersey)	

This matter was opened to the State Board of Dentistry upon receipt of information from Barbara S. McCrady, Ph.D., Professor and Director of the N.J.D.A. Chemical Dependency Program (CDP), reporting that Donald Dobrowolski, D.D.S. is a chemically dependent dentist currently using psychoactive substances and that he had surrendered his dentistry license to her. Dr. McCrady advised the Board that Dr. Dobrowolski had been involved in the CDP since February 1994. The Board also has been advised that despite several hospitalizations through April 1995, respondent has suffered repeated relapses to the use of illegal drugs and alcohol.

In order to resolve this matter without recourse to formal proceedings and for good cause shown;

IT IS ON THIS 25 DAY OF JULY, 1995,

HEREBY ORDERED AND AGREED THAT:

1. The State Board of Dentistry accepts the voluntary surrender of respondent Donald A. Dobrowolski's license to practice dentistry in the State of New Jersey. The Board acknowledges physical receipt of Dr. Dobrowolski's dentistry license from Dr. McCrady and requires herein the submission of his C.D.S. and D.E.A. registrations which shall be mailed to the Board of Dentistry at 124 Halsey Street, Sixth Floor, Newark, New Jersey 07102. Said voluntary surrender shall have the same force and effect as if his license had been revoked, and respondent shall immediately cease and desist any practice of dentistry.

2. In the event respondent wishes to petition the Board for reinstatement of his license to practice dentistry in the State of New Jersey, he shall be made to appear personally before the Board, and he shall have the burden to demonstrate to the satisfaction of the Board that he is capable of discharging the functions of a licensee in a manner consistent with the public's health, safety and welfare.

3. Respondent shall submit to a psychological and/or medical evaluation by Board appointed consultants prior to requesting reinstatement of licensure. Respondent shall be responsible for the fee of the consultants for the evaluation and reports.

4. Respondent shall sign the necessary releases of information and/or cause and permit the staff or other designee of the N.J.D.A. Chemical Dependency Program or any other person or entity treating the respondent for drug addiction to disclose to the Board any records or evaluation it has made of the respondent as well as any recommendations and any other pertinent information. This shall

include advising the Board of any and all programs in which respondent engages, including urine monitoring and attendance at rehabilitation programs.
